For institutional accounting purposes, the ACMG Federal ID# is 52-1774227.

DUES FEES SCHEDULE AND MEMBERSHIP CATEGORIES: CALENDAR YEAR 2019

Dues are payable on a calendar year basis via check or credit card and, except for student membership, include subscription to the official journal of the ACMG, *Genetics in Medicine*. Dues for 2019 are shown below.

FELLOWS (FACMG) possess a relevant doctoral degree (MD, DO, PhD) and a current and active general certificate issued by the ABMGG in one of the following specialties: Clinical Genetics, Clinical Biochemical Genetics, Clinical Cytogenetics or Clinical Molecular Genetics or an equivalent issued by the CCMG or the RCPS. Those applying for Fellow membership within the first 6 months of earning their initial genetics certification are eligible for a two-year membership discount.

MD, AMA MEMBER	\$430
MD, NON-AMA MEMBER	\$830
PhD	\$630
CORRESPONDING FELLOW	\$305
YOUNG PROFESSIONALS YEAR 1	\$160
YOUNG PROFESSIONALS YEAR 2	\$315

ASSOCIATE MEMBERS are certified in genetic counseling or eligible for certification in genetic counseling by, the ABGC, or a College-recognized equivalent. **\$255**

AFFILIATE MEMBERS are those with a doctoral degree and an active professional interest in medical genetics that is not their primary clinical specialty, or individuals who do not possess a relevant doctoral degree but have an active interest in medical genetics, including PAs and NPs, or those who permanently reside outside of the United States and Canada. **\$305**

CANDIDATE FELLOWS possess a relevant doctoral degree and are eligible for certification, but not yet certified, by the ABMGG, the CCMG, or the RCPS. Candidate Fellowship membership will expire in the odd year in which the next ABMGG, CCMG, or the RCPS exam is held. **\$160**

EMERITUS FELLOWS are ACMG Fellow members in good standing for at least 5 consecutive years, that are 65 years or older, permanently retired and no longer working or working part time less than 20% full time hours. **\$175**

EMERITUS MEMBERS are non-Fellow in good standing for at least 5 consecutive years, that are 65 years or older, permanently retired and no longer working or working part time less than 20% full time hours. **\$175**

TRAINEE MEMBERS are enrolled in a graduate medical or post-doctoral training program in medical genetics accredited by the ACGME, the ABMGG, the CCMG, or the RCPS; a non-medical-genetics residency program accredited by the ACGME or the RCPS; or a post-doctoral fellowship in a relevant field with an active professional interest in medical genetics. **\$110**

STUDENT MEMBERS are individuals at least 18 years of age and enrolled in medical school, an undergraduate or graduate school program in a relevant field, or a training program in genetic counseling. **\$0**
