

ACMG 2018 Call for Board of Directors Nominations

Nominations Deadline: **April 27, 2018**

The American College of Medical Genetics and Genomics will hold elections this year for officers and directors. The following seats will be open in 2019 and the Nominations Committee is looking for your input on suggested replacements.

One (1) President-Elect Seat

Eligibility: All Fellows of the College are eligible to run for President-Elect. Physician Fellows must also be AMA members.

Term: Six years total: 2019 - 2025 (as President from 2021 - 2023).

Number of Candidates Needed:

- One (1) President-Elect to fill the seat that will be vacated when Anthony R. Gregg, MD, FACMG

Five (5) Director Seats

Eligibility: All Fellows of the College are eligible to run for the Board of Directors. Physician Fellows must also be AMA members.

Term: Six years: 2019 - 2025

Number of Candidates Needed:

- One (1) candidate to run for the **Clinical Biochemical Genetics Seat** vacated by Joel Charrow, MD, FACMG
- One (1) candidate to run for the **Clinical Geneticist Seat** vacated by Robert D. Steiner, MD, MBA, FACMG
- One (1) candidate to run for the **Clinical Geneticist Seat** vacated by Maren T. Scheuner, MD, MPH, FACMG
- One (1) candidate to run for the **Clinical Geneticist Seat** vacated by Lori Potocki, MD, FACMG
- One (1) candidate to run for the **Clinical Molecular Genetics Seat** vacated by Kristin G. Monaghan, PhD, FACMG

Please submit the names of candidates for the Board of Directors to the Nominations Committee via acmg@acmg.net by **April 27, 2018**. No supporting materials are needed at this time. The Nominations Committee will develop a slate of candidates from the suggestions provided by the membership and ballots will be sent to voting members in September.

Please contact ACMG with any questions at 301-718-9603 or acmg@acmg.net.
