Sneak Peek: Summer Edition of *The ACMG Medical Geneticist* Now Online

The summer issue of *The ACMG Medical Geneticist* will be arriving in your mailbox later this month, but members can [read it online now](#) in the members only section of the ACMG website. The issue's theme is Education, and it features a Q&A with the College's new president, Dr. Mira Irons. It also recaps the 2025 ACMG Annual Clinical Genetics Meeting in Los Angeles; spotlights Dr. Stephen Cederbaum, this year's recipient of the ACMG Foundation's David L. Rimoin Lifetime Achievement Award in Medical Genetics; and much more.

Help Us Redesign the College and Foundation Websites: Deadline Extended!

As part of our commitment to enhancing the ACMG member experience, we are redesigning the ACMG and ACMG Foundation websites. Your participation and feedback by August 1st are vital.

GenePod: Genetic Testing Rates for ASD Children Enrolled in Medicaid

In the July episode of *GenePod*, Dr. Tashalee Brown offers insights into her team's [recent study](#), which explored why clinical implementation of genetic testing in children with neurodevelopmental disabilities is low among those enrolled in Medicaid. Given that this pattern persists despite updated medical guidelines for testing, barriers to testing appear to require further study.
