Print, Post or Share Medical Genetics Awareness Week Graphics
Click a link:
#MedicalGeneticsAwareness version 1
#IamaMedicalGeneticist
#FutureGeneticsProfessional
#MedicalGeneticsAwareness version 2

Decorate Your Lab, Office or Clinic.
Post a photo to social media with the graphic and your colleagues and friends.
Be sure to tag @TheACMG and use a hashtag.

Update Your Facebook Profile Picture
Add a Medical Genetics Awareness Week frame to your Facebook profile picture.
1. Go to Facebook.
2. Mouse over (or tap) your profile picture and click or tap on “Update” or “Edit.”
3. Click on “Add Frame.”
4. In the search bar, type “Medical Genetics Awareness Week.”
5. Click on the design you wish to use (Medical Genetics Awareness, I am a Medical Geneticist, I am a Genetic Counselor, I am a Lab Geneticist, Future Genetics Professional).
6. Size your photo and set an expiration date.
7. Click “Use as Profile Picture.”
